Think Differently

A book study by James MacDonald Led by Karin Essen

Why do we lose our temper? Why do we tend to hurt those we care for most? How do families find themselves broken? The reason is often the way we think. If you repeatedly find yourself in places where you don't want to go, it's your thinking that's leading you there. This Bible study on strongholds examines how they came to be...and offers believers a biblical path toward repentance and the renewing their minds. God offers our only hope for victory over disposition, dysfunction, double-mindedness, and every other mental stronghold. With Him, we can think differently.
