-  Do you want to feel connected to other moms in your same life stage?
-  Do you want to laugh and relax for 2 ½ hours?
-  Could you use a rediscovery of the joy of parenting?

MOPS is the place for YOU!

MOPS is dedicated to the message that “mothering matters,” and that moms of young children need encouragement during these critical early years. Our MOPS program helps mothers find friendship and acceptance; provides places for real and open connection, and helps each mom experience God’s love through relationships and resources.

WHAT IS MOPS?

MOPS (Mothers of Preschoolers) is an international non profit organization designed to support and meet the unique needs of mothers and preschoolers (infant through kindergarten). Mothers and children meet separately allowing a morning out for moms. Moms can relax, enjoy a guest speaker, create crafts and enjoy adult conversation while their children participate in the MOPPETS program. We all share the desire to be the best moms we can be and we strive to provide a place of support and love. Learn more about MOPS at mops.org

IS MOPS A BIBLE STUDY?

No. While the teaching is based on Biblical principles, the intent of MOPS is to present information of common interest to all mothers, regardless of the religious background. This is accomplished in a casual and fun manner using practical applications for everyone. We welcome all mothers of preschool children.

WHAT IS MOPPETS?

MOPPETS is the children’s program that meets concurrently with MOPS. The program is carefully planned to nurture and enhance social, creative, and spiritual growth for children, ages infant through kindergarten.

IS THERE A COST TO JOIN MOPS?

Yes. There is a mandatory \$20.00 cost to register with MOPS international and a \$5.00 a meeting charge. Your registration fee includes a subscription to MOMSense magazine (6 issues per year), MOM E-mail (short e-mailed messages of encouragement), and much more. The \$5.00 cost per meeting is to help offset the cost of childcare, speakers, craft supplies and other program costs.

Please remember that we value your presence more than your ability to pay!! If the fee would hinder you from being a part of MOPS please do not hesitate to request a scholarship.
