Church Center App

We're excited to announce our new church app for your smartphone called, "Church Center." On the Church Center App, you can register for events, look for a small group, give your tithes and offerings, submit a prayer request, listen to sermons, watch one of our weekly devotionals, view the church calendar, and opt into our public church directory. Plus, there will be other features rolled out soon. This app is going to be a great tool for keeping us more connected as a church family. Details on how to download the app or access Church Center from a desktop computer are at FirstHurst.com/church-center.

Re|engage, August 22

Re|engage is a 16-week class that examines God's design for marriage and applies principles from the Bible to guide couples towards growth and enrichment in their relationship with each other. Every marriage will benefit, whether couples are struggling to get along, the marriage seems broken, or they simply want to grow closer together as a couple. The structure and format provide a great opportunity to make disciples. The re|engage curriculum is the gospel applied to marriage (Ephesians 5:25). Join us beginning Sunday, August 22, to re|engage with your spouse in a very meaningful way. For more info, contact angela@firsthurst.com.
